

St Andrew's 2009

St Andrew's 2009 is published today. It is the new style annual report of St Andrew's Roundhay United Reformed Church, Shaftesbury Avenue, Roundhay, Leeds. It covers activities during 2009 and 2008 and looks ahead to 2010. It is on www.standrews.cc, and paper copies are available from Rev David Pickering, minister of St Andrew's on (0113) 269 7002.

"*St Andrew's 2009* tells stories of our church life as we love God, follow Jesus and serve the community. On its pages families and individuals movingly say why they worship at St Andrew's," says David Pickering, minister of St Andrew's.

"So many people have been involved in producing *St Andrew's 2009*, from the youngest to the eldest. We describe our worship, which is open to all, and our social activities. We set out our sharing of God's love in Roundhay and elsewhere," David continues.

"We recall the dedication of our community gardens by the Moderator of the United Reformed Church General Assembly and the Lord Mayor at the time. We explain our work with other churches, here in Roundhay and in Germany. Our work with young people and children is covered. There are sections on Guiding and Scouting," adds David.

"*Oliver!* is being performed on 25-28 November and details are in *St Andrew's 2009*"

"We are publishing *St Andrew's 2009* at our monthly church meeting, this month attended by the Moderator of the United Reformed Church Yorkshire Synod, Rev Kevin Watson. Church meeting leads our church, and *St Andrew's 2009* is a visible expression of our commitment to serve God and the community," David concludes.
