THE KNITTED BIBLE WANTED! VOLUNTEERS

We would like to start developing online story resources using the wonderful knitted Bible figures that Pat Walkden has developed for St Andrew's. We are intending to tell a number of different Bible stories using the figures, and making these available as power point resources via the web for our own use and use by others. We are looking for people who would be interested in being involved in the following ways: exploring and selecting the Bible stories; stage management and photography of the figures; technology development (possibly including sound files as well as imagery); writing prayers based on the story to be told.

If you would like to be involved, or would like further information, please speak to Bronwen Robinson or David Pickering.

VOLUNTEER READING HELP (VRH)

VRH is looking for volunteers to help children who are being left behind because they have difficulty learning to read. This is a very satisfying activity, especially for grandmas and grandpas who like contact with children, but anyone of any age and condition is most welcome. Training is given, but all that is required is patience and understanding. If you think you could spare 1-2 hours per week and are interested please contact Diana Sutherland for more information.

Please let Andrea Varnavides have items for next week's notice sheet by teatime on Thursday. Please keep items brief, and add your name to the item. Thank you.
